The Community Energy Fund

171 projects funded

100 further projects will now be funded

300 megawatts of new generation

Community Energy in the Great British Energy Bill

"I am very grateful for all the support of so many noble Lords, and I am thrilled to be standing here after so many attempts to get community energy into the statute books. I note the work of Power for People, which has done a fantastic job over the years to make this happen."

The Baroness Boycott
